Ideas – What works to do better? (No-Cost/Low-Cost)	Specificity	Leverage	Values	Reach

Rate the ideas for each of the following:

Low (L), Medium (M), High (H)

Specificity: Is the idea specific enough to be implemented? Can it actually be done?

Leverage: How much difference will the proposed action make on the performance measure and turning the curve?

Values: Is it consistent with our personal and community values?

Reach: Is it feasible and affordable? Can it actually be done and when?
